

for travellers arriving in South Korea from China, Hong Kong and Macao

# COVID-19 Notice

For travellers who have departed from China, Hong Kong or Macao, please complete the Q-CODE details before arrival, and submit a COVID-19 negative certificate.

In addition, travellers arriving from China must additionally take a PCR test within 1 day after arrival, and register the test result in Q-CODE.

\* If the arriving travellers have stayed or visited China, Hong Kong or Macao within 7 days as of the date of arrival in South Korea, it must be declared in the Q-CODE or Health Questionnaire.

## Before arriving in Korea: Travellers arriving from China, Hong Kong and Macao

- ✓ **(Negative certificate)** Submit the PCR negative certificate for test taken within 48 hours as of departure date 00:00 or RAT negative certificate by specialists for test taken within 24 hours to the Quarantine Officer
- ✓ **(Complete Q-CODE input)** Fill in the quarantine information in Q-CODE before boarding and obtain the QR Code

\* Connect to Q-CODE website (<https://cov19ent.kdca.go.kr>)

## After arriving in Korea: Travellers arriving from China

- ✓ **(Test within 1 day after arrival)** Take the PCR test within 1 day after arriving in South Korea
  - For foreign residents and foreigners on long stay, you must present documents confirming that you have arrived from China (flight ticket, passport, etc.) and identification card (Resident Registration Certificate, Certificate of Alien Registration, Domestic Residence Certificate, etc.) when you visit the Health Center
  - For foreigners on short stay, take the test at the COVID-19 Test Center in the airport
- ✓ **(Registration of test result)** Register the PCR test result by connecting to the Q-CODE website (<https://cov19ent.kdca.go.kr>)
  - ① Click 'Register test after arrival' at the Q-CODE website → ② Enter the Passport Number, Date of Birth, Date of Arrival then click 'View' → ③ Enter the test date and test result then upload the Test Report or SMS sent by the test institute
  - ※ In case of those arriving from Hong Kong and Macao, take PCR voluntarily within 3 days after arrival (Recommended)

## Cost of test and quarantine for foreigners on short stay

- ✓ **(Cost of test)** Payable by 'Credit card that can be used in Korea' at the COVID-19 Test Center in the airport (Cost to be borne by you)
- ✓ **(Cost of quarantine)** If you are tested positive as a result of test, you are subject to quarantine at a separate place (Cost to be borne by you)
  - ※ If you refuse the test or quarantine or if the related costs are not paid, you may be subject to deportation and entry may be restricted pursuant to the Immigration Act Article 11 and Article 46

## Precautions after arriving in Korea

- ✓ In case of foreigners on long stay or foreign residents, taking your personal vehicle or Quarantine Taxi from the airport to your house is recommended
- ✓ Minimize contact with others until you check the PCR test result and wait in your house or a separate waiting place
- ✓ In case you experience COVID-19 symptoms, visit the nearest medical institute

In case the abovementioned items are not complied with properly, travellers shall be punished by imprisonment with labor for not more than 1 year or by a fine not exceeding KRW 10,000,000 pursuant to the related Acts and in case violations belong to illegal actions, causing damages to the country following additional disease prevention actions and spread of infection, travellers may be liable for civil compensation for damages.
